

PARTNERS ZONE - LOGIN STEPS

Partners Zone

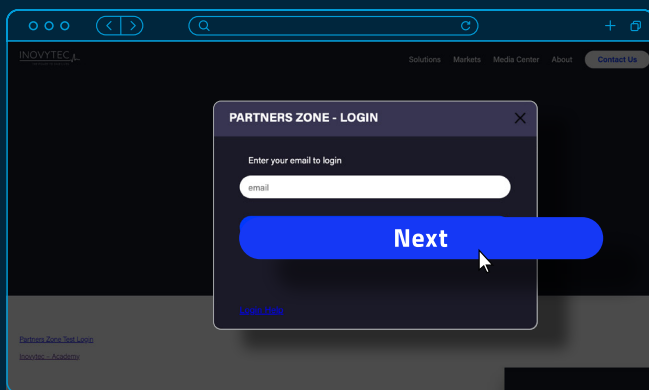

1

As a partner you could access Partners Zone through Inovyttec website (i.e <https://inovyttec.com>). On the website a tab labelled as "Partners Zone" is available. **Click on the tab launches Partners Zone.**

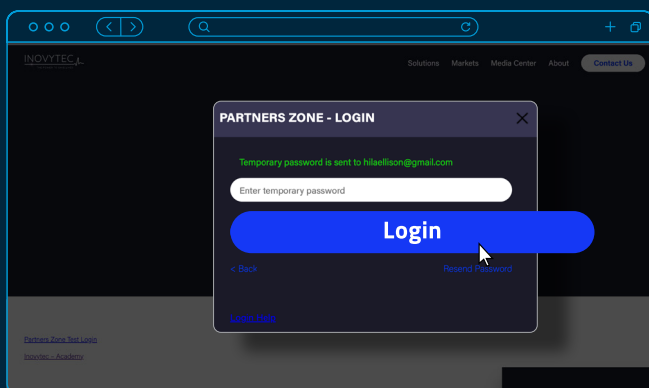

2

Clicking on the link prompts to enter your registered email. After entering the email click on the **Next button**. If you are not aware of your registered email then please reach out to your contact person at Inovyttec.

3

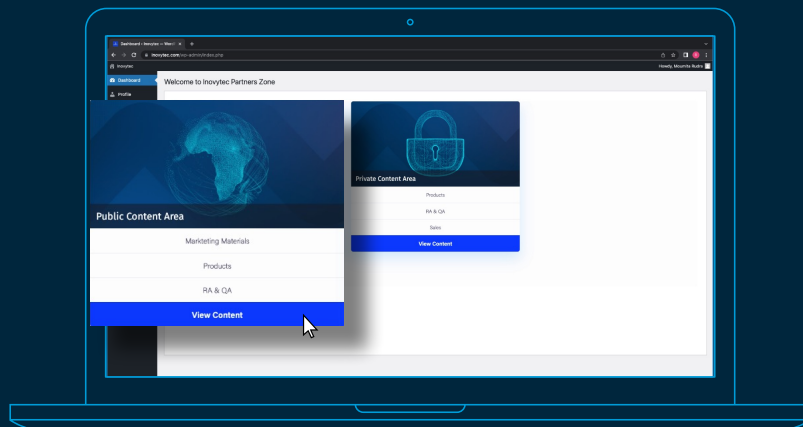

Clicking on **Next button** will navigate to the following screen. In this screen enter the temporary password. The temporary password would be sent to your registered email. After entering the temporary password **click on the Login button**.

PARTNERS ZONE - LOGIN STEPS

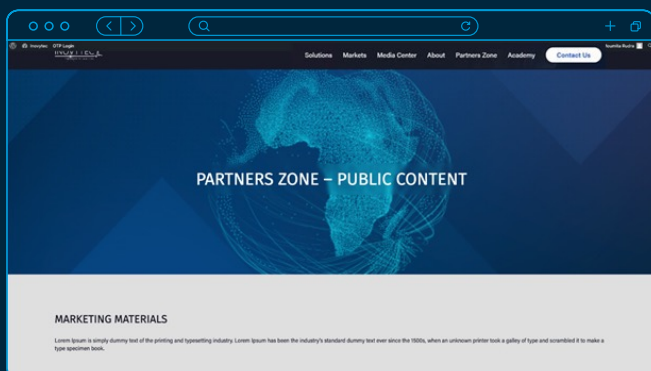

4

Clicking on the Login button authenticates the credentials and navigates you to the Partners Zone landing/dashboard page. The page displays two sections i.e. **Public Content Area** and **Private Content Area**. Public Content Area lists down all content that is available for all partners.

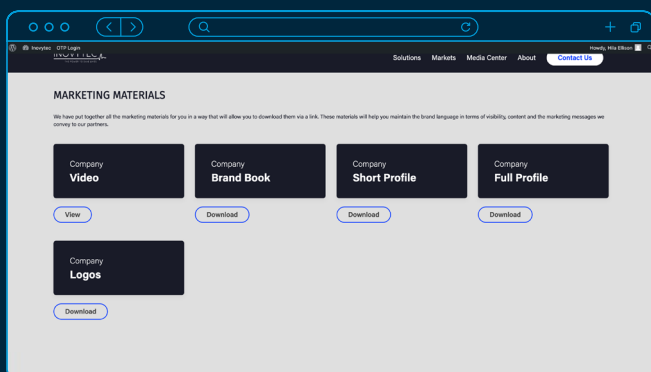

5

To access Public Content Page, **click on View Content button** under **Public Content Area**. It will navigate to the following screen.

6

The public Content mainly displays Marketing Material and Products.

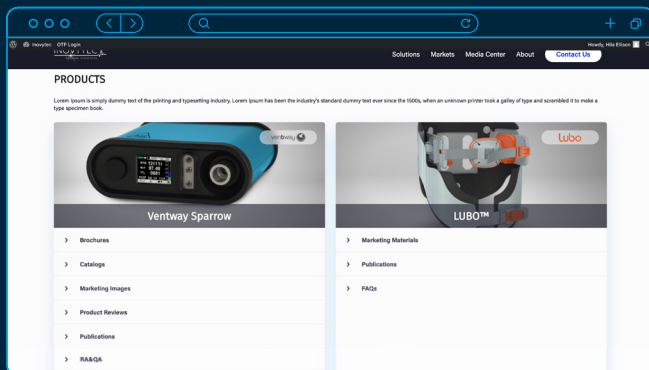

PARTNERS ZONE-LOGIN STEPS

Partners Zone

7

Scrolling down the page shows content specific to each product.

8

To view **Private Content Area**, click on **View Content button** under **Private Content Area**. The Partners Zone – Private Content is displayed in a new browser. Private Content zone shows the specific content that is uploaded for each partner. The content is not visible to any other partner.
